Dear Kindergarten Parents,  
Thanks for your support over the last three years. The encouragement and support you have given helped us tremendously.

We are presently planning for Summer Enrichment. If enough parents are interested, we will have a class for all students who will be entering the first grade. We are sending out this form to find out how many parents would send their children.

The cost of the program will be \$600.00(non- refundable) plus a registration fee of \$90.00 (non- refundable) to reserve a space for your child/ren and fund field trips. The entire amount is due on or before June 1, 2012. If you would like to make weekly or monthly installments towards the program we gladly welcome you to do so. You will receive a written receipt from the office as well as an electronic receipt of each payment. The program will run for six (6) weeks, June 11<sup>th</sup> to July 20<sup>th</sup>. If you plan to send your child to Summer Session, would you be interested in an Enrichment Program for children entering first grade? If you need your child to remain in the Preschool beyond that date, we will work that out with you. Please respond to the following survey and return on or before Monday, February 6, 2012. If you have further questions, please call the Preschool office at 256-8542 or E-mail me at sjbpdfriday@sc.rr.com.
